

ASX Release

10 October 2023

TERMINATION OF SHINE AGREEMENT

Melbourne, Australia; 10 October 2023: Jayex Technology Limited (ASX: JTL) (**Jayex** or **Company**), a leading UK and Australian provider of integrated e-health SaaS healthcare services delivery platforms today announces the termination of the Binding Term Sheet Agreement dated 31 January 2023 between the Company and Shine Clinical Limited (**SCL**) of the United Kingdom (**Shine Agreement**).

The Shine Agreement was part of the Company's strategy to increase the range of clinical and related services to be offered to its existing and potential customers in the United Kingdom.

The Shine Agreement was subject to a number of conditions precedent which, after an extensive period of review, were not satisfied. Accordingly, the Company gave formal notice of termination of the Shine Agreement to SCL on 2nd October 2023.

The Shine Agreement was one of several potential combinations the Company has had under review and negotiation during the course of this year and expects to conclude a similar agreement with another complementary UK based clinical services provider in the fourth quarter of 2023.

This announcement is authorised for release to the market by the Board of Jayex Technology Limited.

Forward looking statements

This announcement contains forward-looking statements. All statements that address events or developments that we expect or anticipate will or may occur in the future are forward-looking statements. These forward-looking statements are based on the Board or management's beliefs and expectations based on information currently available to the Board and management. The Company believes that these forward-looking statements are reasonable as and when made. However, you should not place undue reliance on any such forward-looking statements which are inherently uncertain. The Company does not undertake any obligation to publicly update or revised any forward-looking statements whether as a result of new information, future events or otherwise except as required by law or the ASX Listing Rules. Forward-looking statements are subject to certain risks and uncertainties that could cause actual results, events, and developments to differ materially from the Company's historical experience, or present expectations or projections.
